RE: PHISHING EMAIL

Brothers, it has come to my attention that several members have received emails that appear to come from my department email. This type of email appears to show up every year at around this time. The email asks the member to “under confidentiality” to purchase several Visa gift cards (for me to hand out of course) then just send me the numbers from the back. Please, do not open or respond to these emails.

In Fraternity, Charity and Loyalty.

Commander, Department of Michigan
